IN TURN

1. Brig General Frankosky, USAF (RDQ), and members of the Air Staff (see Atn 1) were briefed by Capt Soulia on SPIKE on 14 Apr 71. The briefing was well received.

Brig General Frankosky recommended that ADC and AFSC jointly determine the relative priority that should be placed on SPIKE.

2. Brig General Chapman, AFSC/DCS Plans, was briefed on SPIKE on 15 Apr 71. Briefing was well received. Gen Chapman directed Col McCreery, XRTD, to write a letter to SANSO directing them to include SPIKE as a candidate system in the upcoming Satellite Defense System Analysis. The total analysis will be funded at \$10 million. Gen Chapman also directed that a letter be written to General McGehee describing action being taken by AFSC.

JOSEPH A.L. SOULIA, Capt, USAF
